## PROFILE

I have been a self taught programmer since 2019. Beginning in 2022 I have been using the guide from <https://teachyourselfcs.com> as a sort of curriculum. I am proficient programming for the web using JavaScript/HTML/CSS and have working knowledge of the go lang and C languages. My most recent project — [lostfiddler/animations-wiki](https://lostfiddler.github.io/animations-wiki)

I hope to use my skills to enter a creative field such as animation/interactive graphics and video game development, or also cutting edge tech industries such as deep space communication, human brain computer interfaces, etc...

## EXPERIENCE

### STAFFING AGENT, INSTAWORK, HOUSTON, TX — 2023-PRESENT

I serve as a labor lifeline for various businesses. From general labor, hospitality, brand ambassador, and more I fill staffing shortages with little notice and perform exceptional work with ever changing environments, roles, and requirements.

### WAREHOUSE ASSOCIATE, AMAZON WAREHOUSE HOU2, HOUSTON, TX — 2020-2021

I helped fulfill the logistics of receiving, processing, and storing inventory for this facility.

### DISHWASHER & PREP COOK, RAKU RAMEN, SAN LUIS OBISPO, CA — 2019

Ensured the cleanliness and sanitation of dishes and kitchen equipment, assisted with food preparation, and supported the cooks, servers and other staff to ensure seamless service and a positive consumer experience.

### SERVER, STAR CINEMA GRILL, HOUSTON, TX — 2017-2019

Greeted and served guests in a fast-paced, dynamic environment, providing exceptional customer service and ensuring a positive dining experience.

## EDUCATION

University of Houston, Houston, TX — Incomplete, 2015-2017

Carl Wunsche Sr. High School, Houston, TX — 2011-2015

## SKILLS

JavaScript/HTML/CSS, node.js & npm, fast learner, git, linux, bash shell scripting, vim, organized, Apache web server, problem solving, hardworking.

## AWARDS

- Academic achievement scholarship for University of Houston.
